

OPERATION ACTIVE RESOLVE INTELLIGENCE SUMMARY D6

1 General Information

This intelligence summary covers the last 24 hours (From D6).

2 Intelligence

2.1 Air

2.1.1 China plans deployment of aviation assets to Lebanon

Recent reporting indicate that the Chinese air force is planning a deployment to Lebanon. Other reporting indicate that a deal have been struck between Lebanon and China regarding the use of infrastructure in the country giving China access to Lebanese infrastructure. Information recived by VID indicate that logistics assets supporting a deployment from a Chinese air deployment is already in place. The logistics assets that have arrived are specialiced in handling ammunition for the Chinese air force.

ASSESSMENT: It is LIKELY that due to the logistics assets arrived in Lebanon already, that this is combat aircraft of some sort.

2.3 Ground

2.3.1 Syrian Air Defence creating new units

The last 48 hours, VID have received reports of Syrian forces starting to move undamaged SAM vehicles from engaged SAM sites, where the SAM site in itself is no longer effective due to the damage. Salvaging undamaged vehicles or radars. The vehicles are sent to the Syrian Air Defense Academy (SYTGT062).

COMMENT: A high number of vehicles are undamaged from CJTF attacks on the various SAM sites.

ASSESSMENT: The Syrians are LIKELY gathering the SAM units in the Syrian Air Defense Academy in order to setup new SAM units, if they are able to create new units from various vehicles (If sufficient vehicles of a certain type are in place to create a unit, it will be created). It is HIGHLY UNLIKELY that new structures will be created (For example: A SA-6 BN will look the same, with the same amount and type of units as described in [INTREP VID B-001 Generic Ground Force Structure](#)).

2.4 Political

2.4.1 Russian and Chinese deal

The Russians and Chinese Headquarters have signed a secret agreement between the two countries. This deal is covered by a high deal of secrecy and is signed at the highest level.

ASSESSMENT: It is POSSIBLE this deal is related to the Russian and Chinese SAG that are enroute EMED. It is POSSIBLE that this deal is related to training between the two countries. It is POSSIBLE that this deal is directed against the Coalition of willing countries that are supporting Turkey.
